

Our Heavenly Father, we look to you in this our time of need. We thank you that you are God and there is none like you. You continue to extend your favour and mercies to us, and for such blessings we are eternally grateful. We ask for your wisdom and direction for all medical personnel and others across the world, who are on the frontline ministering to those who have been affected by the COVID – 19 in one way or another. Equally we pray for your comfort and strength for those sorrowing relatives and friends who are experiencing the pain and trauma stemming from the loss of loved ones and friends.

In a specific way, we pray for all BDF personnel and their respective families. We ask that you be our shield and protector as we carry out our legitimate duty to our nation in this challenging period. Help us to be vigilant and to do all in our power to protect ourselves, our families, our colleagues, and all others with whom we interface on a daily basis.

We remember our Governor General, Her Excellency Dame Sandra Mason, GCMG, DA, QC, our Prime Minister, the Honourable Mia Mottley Q.C, M.P, members of Cabinet and all other persons charged with the responsibility of guiding our nation during this difficult period. Grant to them your wisdom and direction, as they seek to minimize the risks to our citizens and visitors, as well as to ultimately eradicate this potentially deadly virus from our shores.

Together we commend ourselves to your safe keeping, resting confidently in your providential care. May your peace which surpasses all understanding be ours now and always. This we pray in the name of God who is Father, Son, and Holy Spirit. Amen!
